

RESOLUTION NO. \_\_\_\_\_

A RESOLUTION AUTHORIZING [LOCAL POWER COMPANY NAME]  
TO BECOME A MEMBER OF SEVEN STATES POWER CORPORATION

WHEREAS, [LOCAL POWER COMPANY NAME] (herein the "Electric System") is a consumer-owned electric system either in cooperative or governmental form owning and operating an electric distribution system, electric power generation, and/or transmission system with wholesale firm power purchase contract with TVA; and

WHEREAS, Tennessee Valley Authority ("TVA") in cooperation with the Tennessee Valley Public Power Association, Inc. ("TVPPA") have facilitated the development of a form of joint equity cooperative ownership of various power supply facilities and other means of energy efficiency and demand response options, some of which may be through amendments to the wholesale power contract with TVA; and

WHEREAS, Seven States Power Corporation ("Seven States") was created and organized in the form of a generation and transmission cooperative through which its members have the potential to participate in generation, transmission, energy efficiency, demand response services, and other services, and in the process create equity interests in the form of patronage member capital in Seven States; and

WHEREAS, the Electric System remitted an initial payment to TVPPA as a TVPPA assessment to be used for the expenses of creating and operating Seven States, with a portion of such assessment to be a membership fee paid by TVPPA to Seven States for the Electric System's initial membership in Seven States; and

WHEREAS, to fully formalize its membership in Seven States, it is necessary that an application for membership be completed and submitted to Seven States as so authorized by the governing body with supervisory oversight of the Electric System; and

WHEREAS, it is understood that membership in Seven States does not obligate the Electric System to enter into any future wholesale power contract or other service contract with Seven States;

NOW, THEREFORE, BE IT RESOLVED that the General Manager of the Electric System be, and hereby is, authorized to make an application in behalf of the Electric System for formal membership in Seven States so as to become a member thereof, and to comply with its bylaws.

ADOPTED this \_\_\_\_\_ day of \_\_\_\_\_, 2022.
